

# The famous once a year **KAWAI Piano Clearance** **Sat 6<sup>th</sup> & Sun 7<sup>th</sup> of February** **Two days only!**

**Kawai, the Premier Piano Company of Japan**, invites local musical people to invest in some of the world's most advanced pianos at bargain prices. This opportunity exists only because of the extraordinarily high demand for Kawai instruments by Universities, Conservatoriums, High Grade Teaching Schools, Concert halls, Piano Workshops and demonstrations.

A huge range, but only a limited number of **NEW, DEMO, EX-RENTAL Grand & Upright Pianos** will be offered for sale, in conjunction with Sydney's leading piano dealership, **Carlingford Music Centre**. These pianos will be prepared, tuned and setup to the highest standard by qualified Piano Technicians. As an added bonus, Kawai and Carlingford Music Centre will offer a **FREE Adjustable Stool or Concert bench and include a Full New Factory warranty with each piano**. That should sweeten the sound of your music!

It is well known both in Australia and internationally that Kawai have been a world leader in piano technology, and are proud to have been an environmentally responsible manufacturer of pianos for decades. Now, with the introduction of exclusive features like the **Millennium Action, Space age materials and Advanced cabinetry design**, Kawai has surged ahead of even their own high standards in producing true musical expression, with superb dynamic tonal quality, at such a low price.

So whether you or your children are just beginning to play, or you and your friends are seasoned professionals who enjoy playing Classical, Jazz and other fine music, do yourself a huge musical favour and don't miss this once a year opportunity to sample some of the world's finest pianos right here in Lane Cove.
